# Project Report 2014-15

“Believers! Do not nullify your acts of charity by stressing your benevolence and causing hurt as does he who spends his wealth only to be seen by men and does not believe in Allah and the Last Day. The example of his spending is that of a rock with a thin coating of earth upon it: when a heavy rain smites it, the earth is washed away, leaving the rock bare; such people derive no gain from their acts of charity. Allah does not set the deniers of the Truth on the right way”. –The Holy Quran, 2:262 - 264

Ibn Abbas related that the Prophet said: “Any Muslim who gives a Muslim a garment to wear will be in Allah's safekeeping as long as a shred of it remains on him”. (Ahmad, Tirmidhi)

Brings help to most deserving people

**Charity Way Foundation**  
Brings help to most deserving people

"Those needy ones who are wholly wrapped up in the cause of Allah, and who are hindered from moving about the earth in search of their livelihood especially deserve help. He who is unaware of their circumstances supposes them to be wealthy because of their dignified bearing, but you will know them by their countenance, although they do not go about begging of people with importunity. And whatever wealth you will spend on helping them, Allah will know of it". - The Holy Quran, 2:273
